NOOSA WAVES THE FLAG FOR QUEENSLAND DAY AWARDS 2018

'The J' provided the perfect backdrop for the Noosa community to honour and celebrate the outstanding work of our volunteers and professionals who donate their time and services to support local not for profit organisations, events and initiatives. Over one hundred and twenty people joined the Tewantin State School Band in putting a well-deserved spotlight on these tireless workers who make Noosa the very special place it is.

State Member for Noosa Sandy Bolton, was on-hand to present the award recipients with a medallion and certificate in recognition of their selfless, ongoing commitment that continues to make a real difference in the lives of others and our communities.

"It was a brilliant celebration of the outstanding work & dedication of our people, who are truly making the difference and creating positive change. I continue to be in awe and admiration for the incredible work they are doing every day. From projects that build facilities utilizing our young unemployed, to immense environmental cleanup operations, providing recreation and support for both our children and our elders, to raising funds for essential services. Where would Noosa be without them?" stated Ms. Bolton.

Over thirty award recipients came from a broad range of community and business sectors including community associations, professional services, sporting clubs, regional events, local initiatives and programs.

"As the Member for Noosa, it gave me great pride to continue the tradition of presenting these awards, and I look forward to celebrating with many more recipients next year," added Ms. Bolton.

The Noosa Electorate Queensland Day Awards will be hosted again in 2019 to coincide with Queensland Day celebrations. Community groups and businesses who provide significant pro-bono services, are encouraged to put forward a nomination early to avoid missing out recognizing the many people that contribute significantly to our community.

Special thanks to event sponsors; Noosa News, Tewantin Community Bank Branch of Bendigo Bank and Noosa One Stop Print & Sign Centre.
