Noosa MP Community Survey 2020 Results

This document is a summary of results provided by respondents in our 2020 Noosa MP Survey. Thank you to all that took the time to complete this survey, it has been extremely valuable in identifying your greatest local concerns, as well your thoughts on issues across Queensland.

Many of the comments made in the survey have been addressed throughout the year and information is available on 'Noosa 360' (www.sandybolton.com.au/Noosa360) - you can search for updates via topic, or on the Noosa Independent MP Facebook page (www.facebook.com/SandyBoltonNoosa) and also through our monthly newsletter updates. If you didn't already sign up to our newsletter in the survey, please consider doing so via our online confidential sign up system (www.sandybolton.com/newsletters) to get the latest news straight into your email inbox!

Top 3 local-specific State Government issues:

At least 60% of survey respondents identified these as the 3 most important issues for Noosa:

Noosa
River
Management

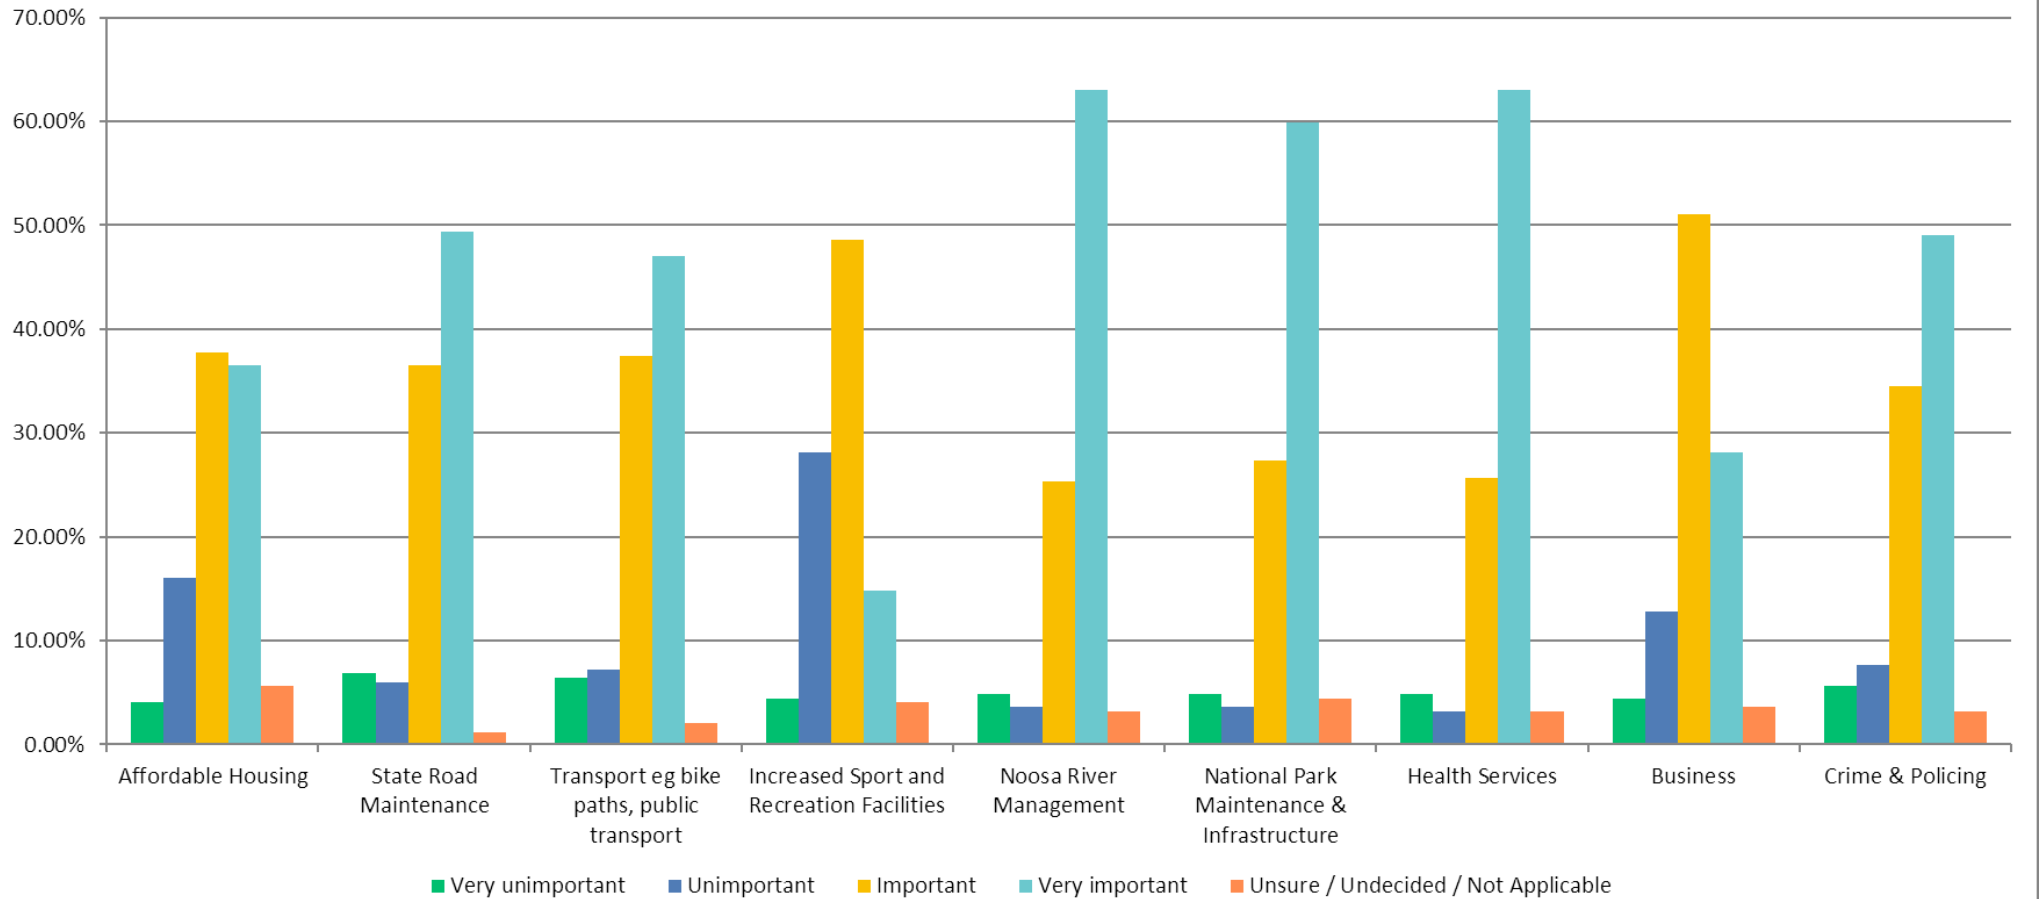

Health
Services

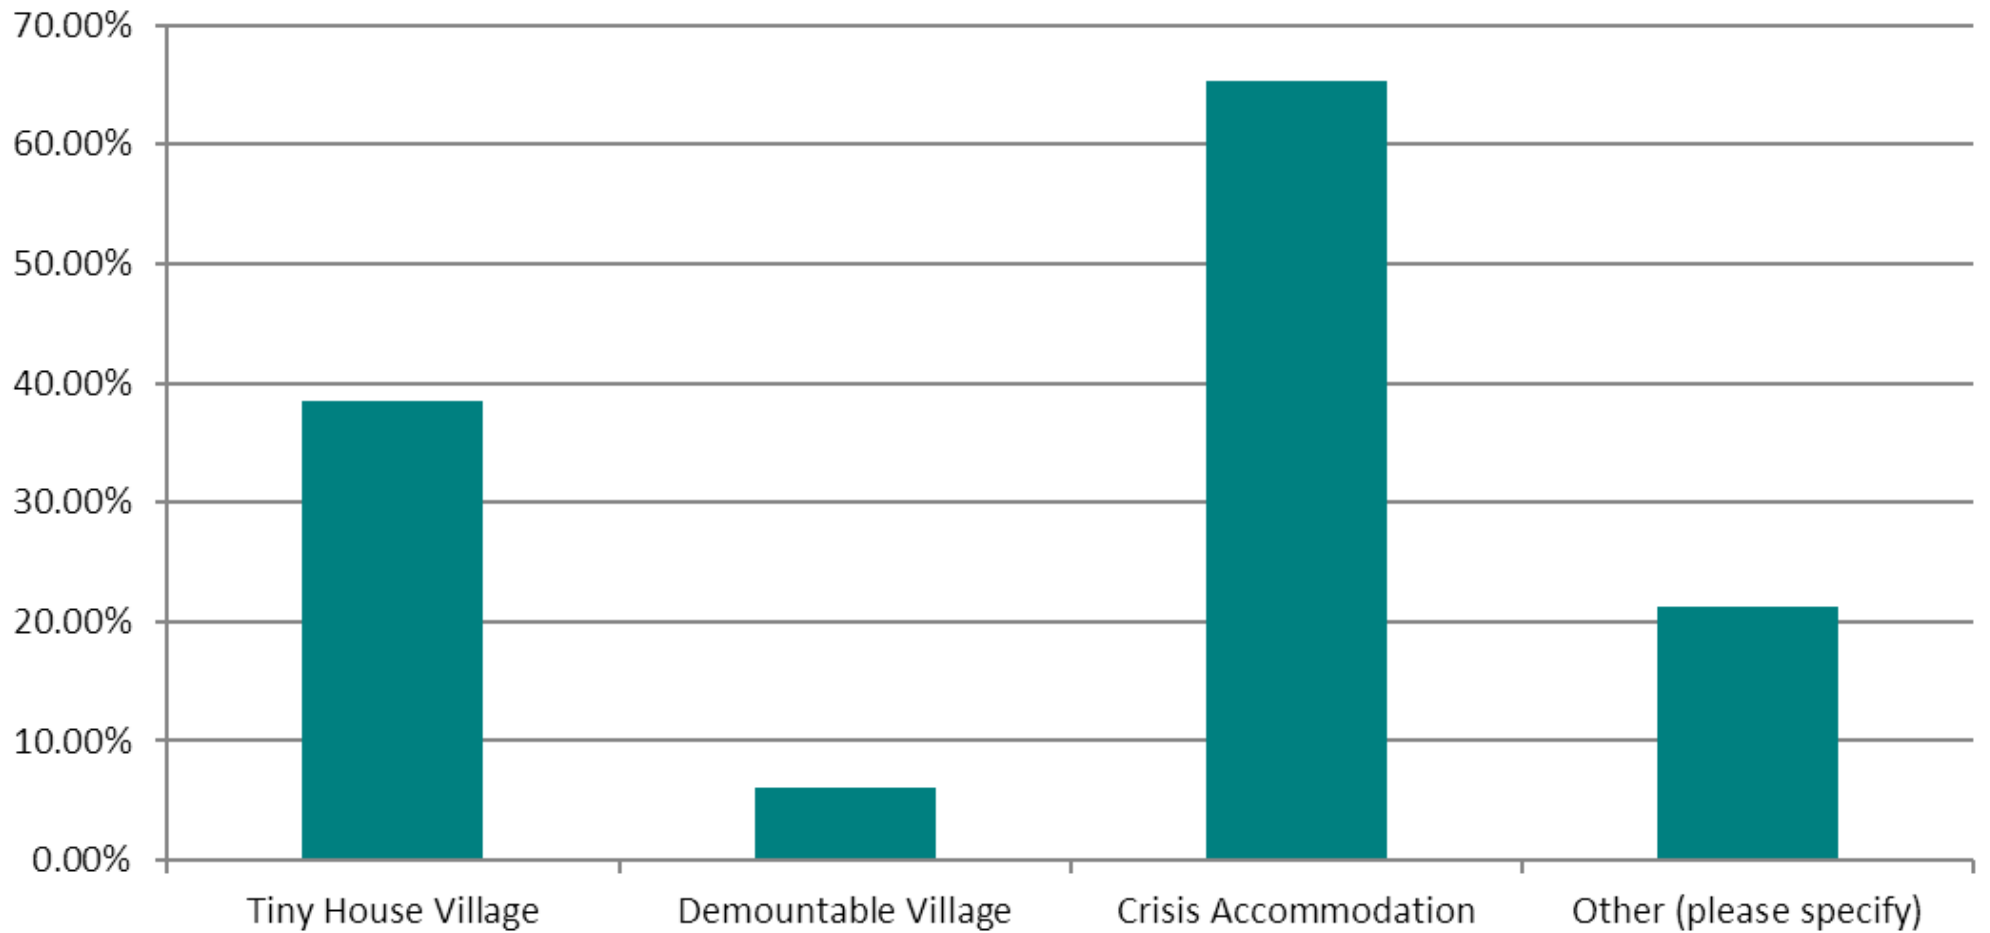

National Park
Maintenance &
Infrastructure

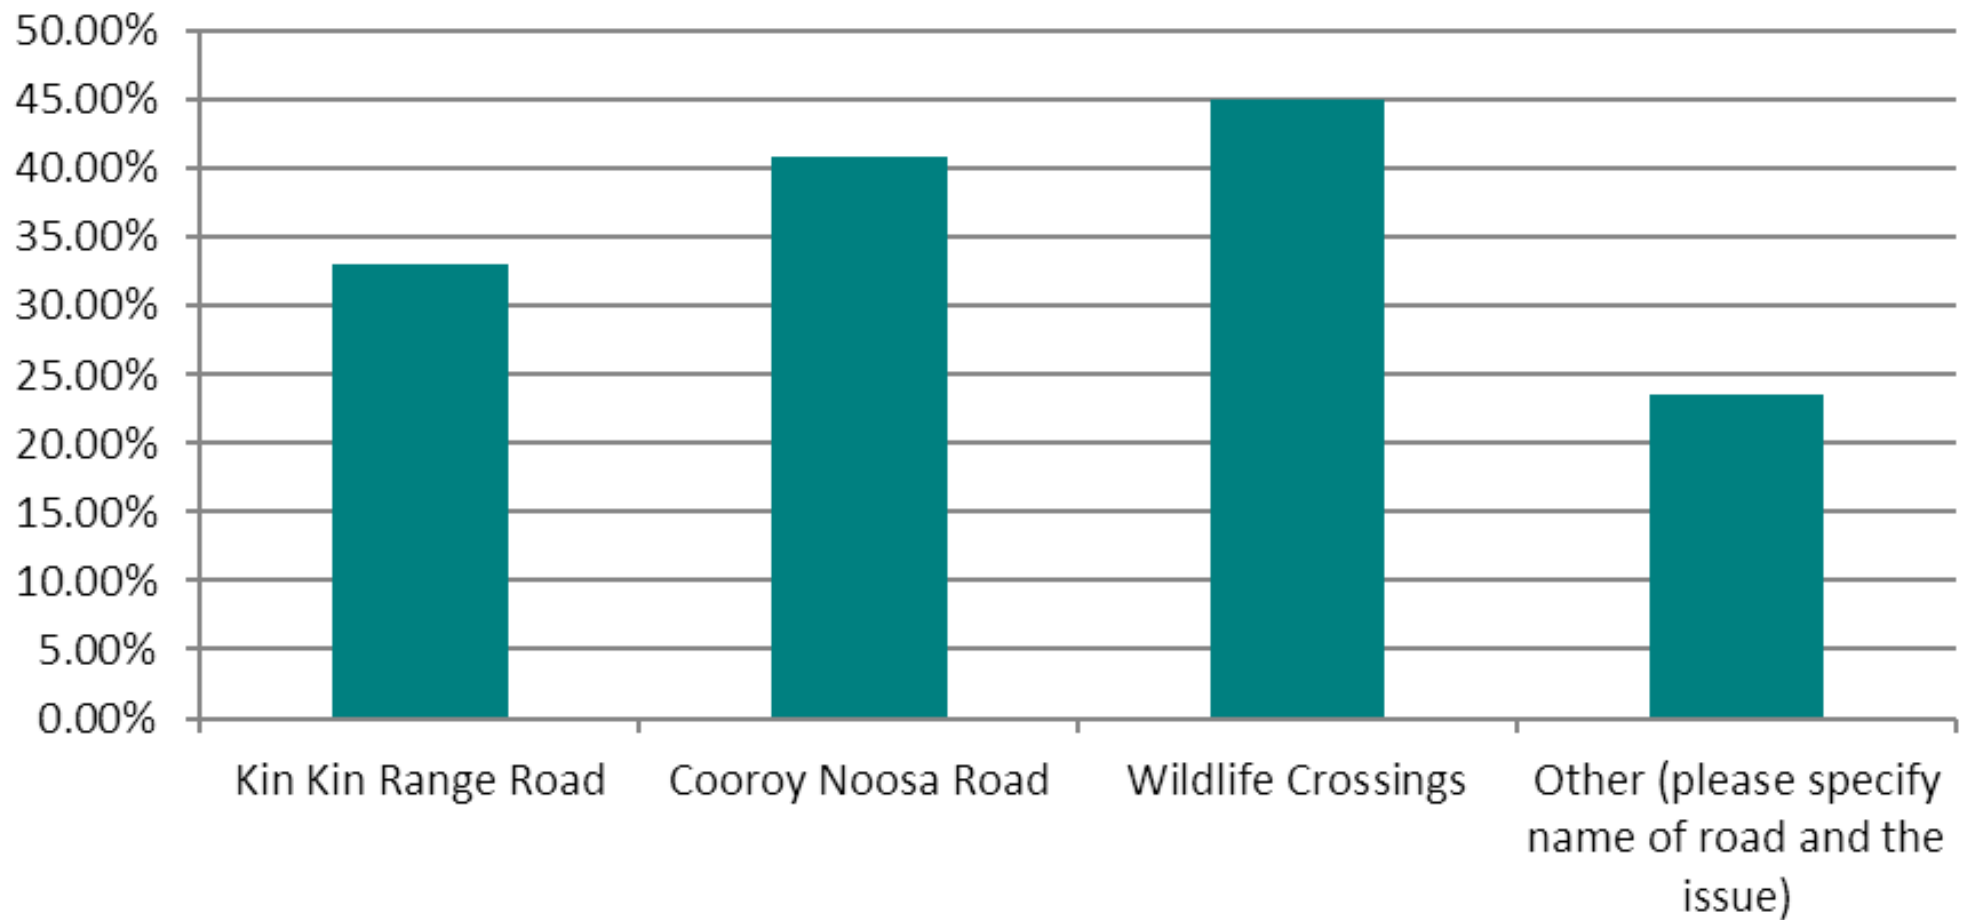

How important to you are the following local-specific State Government issues?
